The Towns County Lady Indians' fast pitch softball team improved to 4-9 this season with an 11-3 win last week over the Rabun County Lady Wildcats at Lowell Nicholson Field.

Lady Indians' junior Claire Wilson went deep twice during the contest, becoming the first Lady Indian to hit two home runs in a single game, the dingers coming in the romp over Rabun at Lowell Nicholson Field.

The last dinger was also the first walk-off home run win ever at Lowell Nicholson Field.

Lady Indians' Coach Lakyn Traquair said her team was clicking on all cylinders against Rabun at Lowell Nicholson Field.

"We came out and put everything together against Rabun," Coach Traquair said. "The accomplishments against Rabun County were monumental to say the least."

Later in the week, the Lady Indians ran into a buzz saw better known as Class 8A region leader George Walton Academy.

Coach Lynn Sorrells' Lady Bulldogs took a twin bill from the Lady Indians last week, dropping Towns to 2-6 in region play. The Lady Bulldogs are 4-1 thanks to 13-1 and 12-1 victories over the Lady Indians.

The Lady Indians returned to the action on Tuesday against the 11-5 Athens Christian Lady Eagles in Athens.

A bye week looks good to the Towns County Middle School Indians after two tough weeks against larger classification schools.

On Sept. 8, the Indians traveled to Dahlonega to take on the Lumpkin County Indians and their cache of 95 players. Outmanned by Lumpkin, the Indians stood their ground, but left Dahlonega with a 28-12 loss to show for their efforts.

On Sept. 15, the Indians hosted the Rabun County Wildcats at Frank McClure Stadium. Like their counterparts in Lumpkin County, the Wildcats brought big numbers and a big team in from Tiger. The result was a decisive 44-14 Wildcat victory.

Wildcats' running back Charlie Woerner had a big day running roughshod over the undersized Indians defense. Woerner struck pay dirt on the Wildcats first possession to give Rabun a 6-0. The Indians struck back with a big reverse call to Shea Underwood setting the Indians up for a go ahead touchdown by running back Gavin Langelier. A two-point conversion gave the Indians an 8-6 lead. Langelier's touchdown was the first points that the Wildcats defense have surrendered all season.

With the first quarter coming to a close, Wildcat quarterback Alden Wright hit Woerner for a 52-yard touchdown strike as Rabun reclaimed the lead 14-8.

On the ensuing series, the Indians inadvertently coughed up the football. Woerner carried the pigskin 73 yards to the end zone putting the Wildcats up 22-8.

In a gutsy performance and determination, Langelier carried the ensuing kickoff 75 yards to the Wildcat one yard line. Tracked from behind, Langelier was tackled awkwardly and suffered a season ending injury as he broke a leg.

The Indians trimmed the Wildcats' lead to 22-14 when quarterback Jared Shook found wide out Blake Silvers in the end zone on a fourth and goal play. The extra point was no good.

On the next possession, Woerner again struck pay dirt from 43 yards out giving the Wildcats a 30-14 halftime advantage. The second half was all Wildcats as they tacked on two more scores pulling away with a 44-14 road victory.

In Youth Football action, the 11-year-old Indians defeated Gilmer County 25-0, Youth Football Coordinator Jimmy Smith said.

The Middle School Indians enter the bye week and will spend practice time this week in preparation for the visiting White County Warriors on Sept. 29th at 5 p.m. at Frank McClure Stadium.

Following the game a powder puff game will be held to celebrate Homecoming.

The seniors and freshmen will take on the juniors and sophomores. Female high school faculty, staff, and administrators are welcome to play on
