With candy for kids, GMF parade a sweet success

By Shawn Jarrard

The 66th Annual Georgia Mountain Fair landed in Hiwassee last Friday, and since then, thousands have been entertained with music, carnival rides, arts and crafts, authentic old-time mountain life demonstrations and more. And that's just what's inside the fairgrounds, which started Friday, July 15, and will run through Saturday, July 23.

On Saturday, July 16, hundreds of locals and visitors alike lined both sides of Main

Street in Hiwassee to watch the long procession that has made its way through town around this time each year for decades – the Georgia Mountain Fair Parade.

From floats to horseback riders and a seemingly endless stream of classic cars and hotrods, those in the parade waved to their gathered counterparts, and many tossed candy to the children eager to snatch up a sweet summer snack.

This year's Parade Grand Marshall was none other than the Towns County Lions Club, which is celebrating its 75th

year in Towns County.

Riding on the bright purple and gold float was Towns County Lions Club President Janice King, with members J.T. Wilson, Dr. Lanier Nelson and Steve Holmes – the float was pulled by L.G. Taylor, who runs the Saw Mill in Pioneer Club.

The Lions Club and its members have acted as perennial stewards of the Georgia Mountain Fairgrounds, and so it only makes sense that, during their 75th anniversary year, the club received the honor of grand marshaling the

Towns County Board of Education held its monthly meeting at the Anne "Oliver" Mitchell Auditorium on Thursday, July 14.

One of the major pieces of business for the July monthly meeting was the approval of amended FY 2017 Non-Certified Salary Schedules, to provide raises for those within the school system who, according to the board, go above and beyond, such as bus drivers and cafeteria staff.

Towns County Schools Superintendent Dr. Darren Berrong and the entirety of the board found the amendment to be reasonable, and the board approved the salary schedule.

This will affect the 90 non-certified staff members within Towns County School System – 29 of whom were employed in the last year – who might not be seeing a proper payout for the amount

When it comes to entertaining crowds, The Association certainly knows what it's about – they've been doing it, after all, since 1965.

The Association will be the star of the show at the Georgia Mountain Fair, performing at the Georgia Mountain Fairgrounds on Saturday, July 23, one show at 3 p.m. and another show at 7 p.m.

Jim Wood and The Georgia Mountain Fair Band will perform before The Association at 2 p.m., and then after The Association at 8 p.m.

While this will not be The Association's first rodeo in Georgia, it will be their first trip to Hiwassee, and according to founding member Jim Yester, the group has plenty of love for

"We're having so much fun right now with what's going on with the group," said Yester. "We had like a re-birth over the last year or so, and it's back to the same feeling as it was in the '60s. We're just

having a great time with it."

The music industry has taken quite a turn since The Association first began performing, shifting from the personal one-on-one feeling of the '60s to a more business approach, in terms of the

Carnival workers benefit from local churches

Year after year, the churches of the Hiwassee Baptist Association provide a unique service in the form of a local ministry – they do what they can to help migrant carnival workers who come to town for the Georgia Mountain Fair.

The B&K Carnival Company pulled into town the Monday evening before the fair, and they started their setup ahead of their Thursday debut.

McConnell Memorial Baptist Church, one of the association's members, treated carnival employees to a big welcoming dinner, which is a ministry McConnell Memorial has carried out for going on two decades.

And for the next three days leading up to the opening of the fair, the association provided health care and dental services free to carnival
